## Annie's Top Tip

*"Try not to include too many places. I understand it is tempting to fit in as many as possible but make sure you leave a few days here and there for clients to chill and wander around and enjoy just being in a place"*

Debbie Rawnsley

01247 547 843

## Debbie's Top Tip

*"Weather plays a huge factor in deciding when to go to SE Asia, but if the main focus of the trip is not lying on the beach, the low/shoulder seasons are great value."*
