MAY 3 GOODWOOD MOTOR CIRCUIT | ADRENALINE ON THE CIRCUIT

After breakfast this morning, transfer by luxury car to Goodwood Motor Circuit, England's greatest sporting estate, for a full day of track activities. Goodwood hosts the internationally famous Festival of Speed, The Qatar Goodwood Festival and Goodwood Revival, three of the largest events in the British sporting and social calendar. The ninth Duke of Richmond was a famous racing driver and turned the Second World War airfield on the Goodwood Estate into the Goodwood Motor Circuit in 1948, which hosted some of the famous racing drivers and iconic cars in thrilling wheel-to-wheel racing. Explore the castle and learn about its history from one of the family members. After your private tour, you may opt to have a go at archery and test your abilities with a bow or learn to fly a broomstick in the spot where Harry Potter first took flight.
