AROUND THE WORLD WITH GEOFFREY KENT

AN INSPIRING EXPEDITION BY PRIVATE JET

13 October – 7 November, 2024

This inspiring expedition by private jet takes us around the world on one of the most compelling itineraries I have ever created, with nearly every stop illuminating a destination well off the normal tourist paths, several of which I will be visiting for the first time. We experience a private tea ceremony in Kanazawa's Kenroku-en Garden — the first visitors ever to do so — enjoy an audience and dinner with the King of Ladakh and take part in a private parade in Malta as the guests of honour ... and that is only the beginning.

Join my expert team of tour managers and our dedicated flight crew as we travel in true VIP style on board a chartered Boeing 757 equipped with first-class, lie-flat seats. From one unforgettable destination to the next, we will meet welcoming local people, experience traditional customs at exclusive private events and enjoy top-shelf dining and hospitality, always with the finest experts and guides at our side.

I hope you join me on this globe-spanning adventure that is sure to rank among your most inspiring travel experiences ever.

INDIA

18 – 21 Oct | Delhi & Ladakh

✈️ TOYAMA → DELHI (9.25 hours)
DELHI → LEH (1.5 hours each way)

Rejoin your private jet for the flight to Delhi, where you overnight before continuing by charter air to Leh, gateway to your explorations of the former Himalayan kingdom of Ladakh. A short drive takes you to your hotel, where you receive a traditional Ladakhi welcome. Take some time to soak in the serenity of the surroundings and rest as you acclimatise to the rarefied oxygen levels at this high altitude (3,570 metres).

Experience the cultural heritage of Ladakh during a walk through the old town. Visit the magnificent 17th-century Leh Palace; the Ladakh Art and Media Organisation, showcasing Ladakhi art and architecture; and the Central Asian Museum, displaying a rich collection of historic artifacts. MALTA

22-24 Oct | Island fortress

✈ DELHI → MALTA (10 hours)

Return by private charter to Delhi to rejoin your private jet for the flight to Malta. Built by the Knights of St. John in the 16th century, Valletta is a fortified city with a fascinating mixture of history and lively present-day culture within its walls. Begin your exploration at the Saluting Battery overlooking the Grand Harbour, and then proceed to the Lascaris War Rooms, an underground complex of tunnels and chambers that proved crucial during the Second World War. The National Library preserves the nation's heritage with collections stretching back to medieval times. Explore this national treasure guided by one of the librarians, and then enjoy a private after-hours visit to St. John's Co-Cathedral, whose austere exterior stands in drastic contrast to its sumptuous high Baroque interior. In the evening, dine with some of the vested knights and dames of Malta, a religious order dating back to the 11th century. Enjoy your chosen Design Your Day the next morning:

- ▶ Visit medieval Mdina, with its range of Norman, Arabic and Baroque features — as well as gates that Game of Thrones fans will recognise instantly as the entry to King's Landing
- ▶ Explore Verdala Palace, the official summer residence of Malta's president, with a third-generation caretaker guiding your visit
- ▶ Learn the art of falconry from a local expert who demonstrates the skilful handling of a variety of hunting birds
- ▶ Visit two temple excavations that predate the pyramids and Stonehenge, learning about the site from its curator

Gather for lunch at the Malta Polo Club and take in an exhibition match or try your hand at playing if you wish. Experience one of Malta's oldest traditions, the village feast, where you are led by a marching band through the streets to experience a specially curated farewell *festa* and dinner at a traditional band club.

✈ VALLETTA → DAKAR (5.75 hours)

Your private jet takes you to the capital of Senegal, Dakar, where you enjoy an introductory tour as you pass through Independence Square with its historical colonial buildings and by the President’s Palace and the House of Parliament. Head out the following morning to the phenomenal Pink Lake. Track the last lap of the famous Dakar Rally by 4x4 buggy and stop to meet some of the men and women mining the salt from the rose-coloured water. Then take an exhilarating 4x4 ride on the sand dunes. Continue to a Fulani village to experience firsthand their traditional lifestyle. Pause for a beach lunch under a Bedouin tent, and then explore the city, stopping at the monument of African Renaissance, the Plateau District and the residential area of Fann, with its uniquely African architecture. End the afternoon with visits to the Kermel Market and the Black Civilization Museum. The next day, board your private ferry to Goree Island. Visit the Slave House with its infamous “Door of No Return,” the point from which enslaved peoples were transported to the New World. Also visit the Historical Museum and the Saint Charles Church (one of the first Roman Catholic churches on West Africa’s coast). Return to Dakar by private ferry in time for lunch. Later, you may wish to take part in an optional sand painting activity. Bid farewell to Senegal while accompanied by a typical folklore ballet performance and Senegalese music. *Meals: B L D*

Dakar, Senegal

SAINT HELENA

28-29 Oct | Napoleon's final home

 DAKAR → SAINT HELENA (5.25 hours)

Saint Helena Island is one of the most remote islands on earth, located 1,300 miles west of the coast of Namibia. It boasts a population of less than 4,500 people, who have been slow to embrace modern technology — cellular service was only introduced in 2015. The island's strict conservation efforts protect its unspoiled natural beauty. It has served as a place of exile for prisoners ranging from Bahraini princes to Napoleon himself.

Wander the streets of charming colonial Jamestown, the island's capital, where many buildings date to the 18th century and are still used today. Follow in Napoleon's footsteps, visiting the house where he lived in exile for the last five years of his life, as well as his original tomb. Explore the rugged volcanic landscape on foot or take in the sites on a scenic tour, either by coach or by a 1929 open-top charabanc. End the day with a tour and tasting at St Helena Distillery, the most remote distillery in the world. *Meals: B L D*

Mantis St Helena
Jamestown, St Helena

Booked exclusively for this journey, Mantis St Helena is a charming boutique hotel in the heart of Jamestown, occupying the former East India Company's officers' quarters and located steps away from the charming seafront.

On arrival, transfer to the estate of Narbona for lunch, a wine tasting and a folkloric music performance. Then check in at the Hotel Fasano, your home for the next three nights. Stretch your legs during a tango class in the afternoon. Privately visit the museum and workshop of noted artist Carlos Páez Vilaró, known for his murals and sculptures that incorporate the colourful aesthetics of Afro-Uruguayan culture. Enjoy sunset cocktails on the terrace of his home overlooking the domes of Casapueblo on the rocky cliffs of Punta Ballena. At Bodega Garzón, enjoy authentic Uruguayan cuisine designed by the world-famous chef Francis Mallman. Visit the Pablo Atchugarry MACA (Contemporary Art Museum), a 100-acre sculpture park featuring striking works by many national and international artists. Pause for refreshments in the museum gardens. After lunch and a wine tasting at Estancia VIK, take part in a mate class and tasting in Fasano. *Meals: B L D*

EASTER ISLAND

2 Nov | The lost world

✈ PUNTA DEL ESTE → EASTER ISLAND (7.5 hours)

Board your private jet and fly nearly 3,000 miles over the Pacific to one of the most remote — and enticing — destinations on earth: Easter Island.

The island's iconic stone effigies, called *moai* by the Rapa Nui, are thought to be representations of the builders' ancestors. There are nearly 900 *moai* spread throughout the island; almost all of them face inland in order to watch over and protect the island's living inhabitants. The grandeur of these figures is only rivalled by the island's intense natural beauty, with a postcard-worthy view in seemingly every direction. Arrive to a greeting of flowers and warm smiles from your Rapa Nui hosts, followed by a sunset cocktail atop Ranu Kau, a spectacular dormant volcano and an opportunity to witness a *Hotumatua* ritual, a celebration of the island's mythic founding.

You then continue to your hotel. Built on 23 acres and featuring a beautiful ocean view, Explora Rapa Nui combines island tradition with modern, eco-friendly design in one resort, with 30 rooms and welcoming public spaces. *Meals: B L D*

FRENCH POLYNESIA

3-6 Nov | Tropical paradise

✈ EASTER ISLAND → PAPEETE (6 hours)
PAPEETE → TETIAROA (0.5 hours each way)

Today, your private jet takes off for Papeete, French Polynesia, where you board local charter flights for the short air transfers to the private atoll of Tetiaora and The Brando. With no neighbouring resorts, noisy taxi-boats or racing jet-skis to disrupt the quiet and tranquility, this exquisite resort is your personal island paradise for the next three nights, with a plethora of activities to choose from.

Enjoy diving, snorkelling and a host of other water sports such as stand-up paddleboarding, kayaking or outrigger canoeing. You can explore the island on an archaeological tour or a birding tour, and learn about Polynesian arts and culture through dance, *pareu* dyeing and tying, weaving coconut fronds and ukulele lessons. Or take part in some educational activities, such as a visit to the Tetiaroa Society Ecostation & Research Center or an exploration of The Brando's sustainable technologies on a behind-the-scenes tour. And you may just prefer to relax at the pool or on the beach or treat yourself to a pampering spa treatment.
